

Morley C Mordecai Memorial Handicap Cup - January/February matches

Thanks to all the teams that managed to hastily arrange 2nd Round fixtures prior to the consolidated 3 Round.

The highlight among the 7 matches was the convincing win by Division 2 highflyers Almonds 'C' over last year's finalists Civil Service 'F', who have been going well in Division 3 this year. The 48 pt margin was an impressive performance off a handicap more closely aligned to Division 1.

Civil Service 'E' gained compensation for their club by defeating the last Division 1 team left, Bristol Club 'C', with Sanghamitra Pratihara proving very effective on the night.

To complete the disappointment for Bristol Club, their 'E' team, that reached the semi finals last year were forced to concede due to player unavailability at late notice.

Second Round - Last 32

(Updated 31st Jan)
