

BRISTOL & DISTRICT TABLE TENNIS 2006-7

Week 25

Premier Division

Academy whitewashed a weakened Knowle A to hold a sixteen set lead at the top of the division. Three from Clive Ellison gained a draw for Brigands against Failand B to hold third spot. Failand B were surprisingly whitewashed at Panthers, Ricky Jemmott gaining a double over Dave Reeves. Winterbourne A lost to Bristol B who were strengthened by Steve Hall.

Division 1

Cobras defeated two player Ocelots to take the title. Two player Almonds A managed a draw against a weak Nomads side and require three sets from their last two matches to finish runners up. Three from Rhys Morgan gave Knowle C a draw against Portishead B. Adders kept their mathematical chances of promotion alive with a big win over Bristol C. Yate B defeated a weak Nomads team to ease their relegation worries. Bristol C and Portishead B finished their seasons with a draw. Rattlers had a big win over relegated Knowle D but have only a slim chance of avoiding the drop themselves.

Division 2

Almonds C had a big win over Bristol E to gain promotion and only require six sets from their remaining three matches to take the title. Second placed Page A were held to a draw by Almonds B but look likely to take the runners up spot. Stokedene defeated Failand C to remain in fourth place.

KCC C whitewashed Fromeside C who are looking over their shoulder at the relegation zone. Three from Mark Williams gave Failand C a narrow victory over KCC B who then defeated two player relegated Hawks. Again with two players Hawks went down to relegation threatened Creams.

Division 3

Yate C comfortably defeated relegated Failand D. Civil Service C completed their season with a draw against Olympus. Almonds D had a vital win over Westbury A and one set from their last match will save them and doom Westbury.

Division 4

A narrow win against Pegasus and a draw with Page C took Fromeside B into third place and with matches in hand can steal the runners up spot. Failand E had a good win over Bristol D. The middle seven teams being very closely placed. Three from Steve Fussell gave Page c a narrow win over Beavers.

Division 5

A big win by Portishead E against two player Yate D gave them a good chance of taking the title over Mambas who also had a similar win against two player Almonds G. Tornadoes narrowly lost to Yatton and were then held to a draw by Cougars which meant that they and not Cougars are be relegated.

Division 6

Pythons, without Graham Budd went down to Almonds F to give second placed Knowle E a glimmer of hope with their big win over Page E. Polecats handed Leopards a heavy defeat that was closer than the score suggests. Portishead F defeated two player Westbury C but it wasn't sufficient to avoid relegation.

Division 7

Dave Minnett's three for Winterbourne B helped them defeat Bristol G to keep a grip on the runners up spot. A narrow victory over Portishead G and a draw with Fromeside D saw Terra into a temporary third place spot. Portishead G are relegated but it could have been different had 90% Tim Coles been available for more matches.

Three from Dave Payne failed to prevent Bristol G losing narrowly to Jaguars who still have an outside chance of snatching runners up spot. Kestrels lost narrowly to Page F and drew with two players against Portishead G but with matches in hand should be safe from relegation.

Division 8

Knowle G won a tight match with their F team at the top of the division, Rebecca Gregory taking a fine maximum. Knowle G went down to the strong Civil Service B team who moved into third place but the title is still between the two Knowle sides.

KCC E moved into fourth place with a draw against Page G and a whitewash of Eagles, Geoff Pearson being undefeated in both matches. Despite three from Matt Bridgewater Cheetahs went down narrowly to Eagles. Cheetahs slide down the division being largely due to injuries to three players.
