

BRISTOL & DISTRICT TABLE TENNIS 2006-7

Week 27

This is my final report for the season. I trust that you have enjoyed both the pleasure and the pain of participation. If it wasn't your best season there is always the next one.

I look forward to meeting the Club Secretaries and other players at the AGM on Monday 4th June at the Almondsbury Hall when I can harangue you once again about the quality and accuracy of you score sheets, not to mention the problems of obtaining the last forty or so sheets.

I shall now be exposing my body on sunny beaches licking my ice creams, imbibing fairly modestly and attempting to play golf on foreign shores in an attempt to recover enough to face another season.

Have an enjoyable summer

BELSTEN CUP

Filton Academy defeated Nailsea Panthers in the final pretty convincingly at Failand Village Hall. With Premier champions, Academy, having seven players in the top fifteen of the averages (and two more playing for Brigands) the result was a foregone conclusion.

None of the games threatened the expedite rule as the longest rally was about six or seven shots. There was however a master class in spin serving and power hitting.

MORDECAI CUP

Almonds C (winners of Division 2) had a 33 point victory over Civil Service E (3rd in Division 6)
